

MENTOR Colorado

MENTOR Colorado TA at a glance:

TA for our mentoring programs most commonly falls into the categories of either:

- a) starting a new mentoring program or
- b) improving existing mentoring operations:
 - Recruitment
 - Screening
 - Training
 - Matching
 - Monitoring & Support
 - Closure

However, because of built-in flexibility and broad expertise, we can provide capacity building consulting in almost any area:

- Evaluation
- Staff Training
- Board Engagement
- Strategic Planning
- Mergers & Acquisitions
- Marketing

Services as an Affiliate of MENTOR National

MENTOR Colorado is the unifying champion for expanding quality youth mentoring relationships in Colorado. MENTOR Colorado has served the mentoring field by providing a public voice; developing and delivering resources to mentoring programs nationwide; and promoting quality for mentoring through evidence-based standards, innovative research, and essential tools. We provide TA and NQMS through the NMRC.
